Whatever doubts may have existed upon this point were set at rest by the partisan harangue submitted as a message to the Legislature, and there is no course left that body but to accept the gauge thus defiantly thrown, and make the issue squarely with the Governor. The honor of the State demands an investigation of the many charges against the man whose chief delight seems to be to misreprepresent and abuse its people, and on the other hand, justice to the 5:25 P. M. Governor himself requires that the grave accusations made against him be either Jackson for Vicksburg....... 7:25 A. M. refuted or sustained.
